Patients looking for a great massage in the Gaithersburg, MD area have an exciting new option. Active Family Chiropractic is pleased to announce that Nadia Faucher, LMT has joined the practice and will be working with the team to help patients reach their health and wellness goals.

Gaithersburg, MD ([PRWEB](#)) June 16, 2013 -- [Gaithersburg chiropractor](#) Dr. Greg Swistak and the team at Active Family Chiropractic have recently welcomed a new massage therapist into their ranks. Nadia Faucher, LMT has joined the practice and will offer patients a unique combination of experience and technical expertise in a variety of settings. She specializes in several modalities, including Swedish, deep tissue, hot stone, aromatherapy, and reflexology. In addition, Ms. Faucher has worked extensively with pregnant women and athletes. She is also available for office massages and special events.

Dr. Swistak believes the new addition will bring real benefits to the clinic's patients. "I am excited to bring massage back into the office to aid in speeding healing of soft tissue injuries for patients. I have found the combination of manipulation and massage works very well—we offer a 15-minute massage option before or after your adjustment to help you relax or to target particular trouble areas. We also offer 30-, 60- and 90-minute massage options."

For her part, Ms. Faucher is enthusiastic about the new opportunity and looks forward to working with Active Family Chiropractic's patients. "I enjoy making a difference in the way that people feel about themselves. I'd encourage everyone to come and explore the benefits of massage—we can customize your massage according to your needs or conditions."

To celebrate Ms. Faucher's arrival, Active Family Chiropractic is offering a 60-minute massage for \$60.00 through July 1, 2013. This represents a \$10.00 savings.
